

## **Creating a Songwriting Handbook: Group Project**

Congratulations! You've been hired to create a website to help future songwriters start their businesses.

Working with your group members, you will create a website that provides an overview of the business of songwriting. You will create your website using the free cloud-based software, [www.wix.com](http://www.wix.com)

### **GUIDELINES FOR WEBSITE:**

1. The website will have six total pages including the homepage
2. The website must include the following components:
  - a. Overview of songwriting income streams
  - b. Tips on finding a publisher
  - c. Tips on music licensing
  - d. Tips on choosing a Performing Rights Organization
  - e. Helpful Internet links

Feel free to include graphics, charts or diagrams. Remember to present the information as clearly as possible.
